

Editorial Notice

The Editorial Board of Al-Adab Journal announces the adoption of a new numbering system for issues starting with this volume. This change aligns with international indexing and archiving standards. Authors and readers are kindly requested to use the new numbering when citing published articles, while previous issues remain valid under their original numbering.

Articles are licensed under an open access Creative Commons CC BY 4.0 license, meaning that anyone may download and read the paper for free. In addition, the article may be reused and quoted provided that the original published version is cited. These conditions allow for maximum use and exposure of the work.

Reproducing Published Material from other Publishers

It is absolutely essential that authors obtain permission to reproduce any published material (figures, schemes, tables or any extract of a text) which does not fall into the public domain, or for which they do not hold the copyright.
